

RWANDAN COFFEE EXPERIENCE

HALF-DAY TRIP TO ONE CUP COFFEE ROASTERS

Coffee Experience Itinerary

Rwanda is renowned worldwide for its coffees, a product of rich soils, high altitudes, plentiful equatorial sunshine, and rainfall. This is enabled by the conducive climate and high altitude of 2100m above sea level.

ONE CUP COFFEE ROASTERS offers a nice experience to learn about Rwandan coffee. The walking tour includes a coffee history lesson, whilst you enjoy the magnificent views of the farm and appreciate the sweet notes of freshly milled coffee.

This eco-tour is an excellent way to spend the day whilst discovering the secret behind the “World’s Freshest Coffee”.
